Course Levels

- As we progress through the courses we'll build our range of life skills & skill levels with the duration, distance and distractions of everyday life.
- Working at our own pace we'll adapt each exercise giving the right level & type of challenge for progressive successful outcomes.
- As we advance we'll include handy skills, tricks, training games and fun challenges such as rally.
- If you choose to continue and graduate "high school" there's even the opportunity to join our trained dogs group.

Puppy Training & Socialisation

Socialisation &

Building Solid Foundations

- Our puppy training courses offer the opportunity to get it right from the start and give owners a solid grounding in owning, bringing up and training a puppy.
- We'll put special emphasis on good behaviour and building solid foundations.
- Beyond the basic training such as walking nicely on lead and coming back when called we'll help you with crucial life skills and common puppy challenges from mouthing to amusing themselves appropriately.... and alone time
- We'll help you grow a sociable well trained dog able to participate in family life from politely greeting visitors to joining you on visits, activities and days out.
