Customer Benefits

- Professional Support
- Pre Session Plan for Success
- Progressive Challenges
- S.M.A.R.T. Action Plans

S.M.A.R.T

Specific:

- Well plan for success by understanding the current situation, what you want to achieve and agreeing the best approach and location.

Measurable:

- During and between our sessions we'll assess progress towards our goals.

Achievable:

- Well adapt each element to give the right level and type of challenge for progressive successful outcomes.

Realistic:

- Well agree realistic goals and agree a realistic action plan to follow after the session/ between sessions.

Timely:

- Well agree if needed how often our progressive sessions should be.

Private Behavioural Sessions

If our group sessions
aren't quite what you need:-

We'll Make Something Special

After all everyone's needs are unique

- From fearful puppies through adolescent struggles to embedded behaviour issues and multi-dog households.
- We offer practical and professional support for people and dogs of all levels of experience. Always delivered through a kind, positive and motivational approach.
- We can help with your challenge. Together we'll make something special; and S.M.A.R.T to meet your needs.

Private Dog Behaviour Sessions

Help with a range of dog behaviour problems including:

- Separation anxiety, fears & phobias
- Situational reactivity towards people dogs, places objects
- Confidence building
- Destructive or obsessive behaviour
- Chase & prey drive
- Multi dog household issues

**Firstly please consult your vet to rule out any medical reason for a behavioural issue.*

** General Training is covered in our Private Training Sessions*

Seize the moment and take your next step to success
