### Features & Fair Usage Policy - *Read in conjunction with our full Ts & Cs*

- Private use only; For a maximum consecutive duration of 55 minutes, for the purpose of training, working or exercising dogs that are owned or fostered by ; and live with the participants.
- Private Definition & Limits:
  - Up to 6 people -known to each other e.g. friends/partners /family members :Residing at up to 3 different addresses
  - Up to 9 individual dogs in total ( i.e. not swapping in and out more than 9 during the session! )
  - Dogs should have previously socialised together or have a structured socialisation & management plan
  - Hall use is restricted to training or working i.e. not "indoor exercise" so has a minimum ratio of 1 handler per 2 dogs
  - Not for any form of professional use, recompense, recognition or reward i.e. fair sharing of costs among "friends"

*The purpose of the hire policy is to ensure safety and create fairness .*

*If your needs fall slightly out of this " standardisation" just contact us to discuss your needs*

*All resources include the use of lighting, & external floodlighting, equipment & training aids accessible within the hire area*

*Hall Hire includes tea & coffee*

**Cancellation:** Sessions are not cancellable or refundable however :

*For managed sessions ;with at least 48hrs notice before the original session time we will consider transfer to another time if one is available within 7 days of the original session .*

Self managed bookings through google calendar appointments offer flexibility as well as a lower price

*They can be changed up to 4pm on the day previous to any available slot within a calendar month (of the original booking.)*

*Sessions can be booked up to 6pm on the previous day so you can check last minute availability*

For regular customers who have consistently followed policy we will also consider cash on the day payment

**To avoid any potential embarrassment please note all changes outwith the booking policies require full payment**
